

GUVI-ZEN FULL STACK DEVELOPMENT PROGRAMME

Pre Bootcamp Reading Steps

Greetings from GUVI GEEK NETWORK Pvt. Ltd.!

Please take your time - Read every instruction carefully and proceed one by one without fail,

Step 1: **GUVI-ZEN Programme Admission Form**

The very first phase of your Placement support process has been started, please do fill this below-mentioned admission form without fail. This will be shared with GUVI-ZEN 's Hiring team for sourcing opportunities on behalf of you. Try to submit before prebootcamp session. If you already completed please ignore it. Further our **GUVI-ZEN HR** they will be reaching you on a one-on-one basis for taking telephonic interviews once you have finished the prebootcamp.

GUVI-ZEN Programme Admission Form: Click here to fill (Mandatory to fill the admission form before prebootcamp session)

Step 2: **About Pre Bootcamp**

Watch the below videos only post to which you can go for Codekata kindly follow the below steps:

- 1. Session 1: bit.ly/prebootcampsession1**
Password: 7z*X*&wK (Please directly jump into 33 mins: 30secs)
- 2. Session 2: bit.ly/prebootcampsession2**
Password: 5Q^&6Y32
- 3. Session 3: bit.ly/prebootcampsession3**
Password: 2v!1I@J@

Once you have followed the above instructions via these links go to **step 3**.

For any technical doubts or any general queries kindly reach out to **zen portal** with the appropriate subject name (Codekata - Category Name) with the proper format. If you have any doubts in the Codekata kindly send the question with sample input and output has a text and also your whole code has a text(**from the first line to last line**) and also describe your issue properly.

Installation & prerequisites: (Mandatory)

1. Installation of VScode - [Click here to see the demo video](#)
2. How to create a Github account & how to upload the task using drag and drop approach - [Click here to see the demo video](#)
3. Installation of Nodejs - [Click here to see the demo video](#)

Step 3: Reference link for codekata:

1. [Console.log in single line \(JavaScript - Codekata\)](#)
2. [Read an array of Numbers in String format and Convert to Number Array \(JavaScript - Codekata\)](#)
3. [Read Input and Console.log \(JavaScript - Codekata\)](#)
4. [Codekata I/p & O/p blog](#)

Once you are done with all these above links go to **step 4**

Step 4: Codekata:

Once you have watched the above videos login to guvi.in and start solving the code kata problems.

1. Kindly solve the input and output category in first priority because you need to understand the format of i/p & o/p in codekata.
2. Once you have solved everything kindly go to the next category.

Try to complete a minimum of 10 to 50 programs. For queries use, GUVI-ZEN Premium Portal you can join the Doubt Clarification session for support on Monday/Wednesday/Friday doubt sessions.

We believe that this query portal will help you enjoy your experience with GUVI's Learning even more. Any support regarding this portal feel free to reach out anyone of us.

ZEN Premium Portal demo link : [Click here to see the demo video](#)

Step 5: Evaluation process:

Your candidature at Zen Class will be confirmed only after you **clear** the **Zen Class Evaluation**.

Step 1: After the pre-bootcamp classes you will have a Technical and HR interview over call. The schedule for the same will be shared to you by our coordinators.

Step 2: In addition to the above you will also have an **Main Mentor evaluation** by **Mr. Banu Prakash**.

Mentor evaluation will be based on the below criteria:

1. Your approach towards Codekata, Programming & Code quality.

Note: In case you haven't cleared Mentor evaluation you will be having an assessment followed by a code review by the Mentor.

Step 6: Result:

Based on your performance on Technical, HR and Mentor Evaluation you will be either selected or rejected to the coming batch of Zen program.

Note : **Final decision** will be taken by **Mr. Banu Prakash**

Note: Kindly be available on the interview time. More details about the main-boot camp and further processes will be updated after the successful completion of your Pre-Boot camp.

Payment modes

1. **DIRECT PAYMENT:** If you have opted for DIRECT payment you can pay it through RAZOR pay (where we will be sending you a new link similar to the slot booking fee that you paid initially)
2. **EMI:** To avail EMI you need to apply for the Loan amount by providing your soft copies of original documents.

For working PROFESSIONAL's : If you have been working for more than 3 months and your salary is more than Fifteen thousand rupees per month you can apply for self providing with the below listed documents.(No previous loans or defaulters).

If your salary is less than 15K per month , you can apply using a co applicant. The co applicant can be your parent, blood relative or a friend. In such cases you should be able to provide the necessary documents of your Co-applicant.

For STUDENT's: If you are not working now or if you are a student you can apply using a co-applicant, where the co-applicant can be your parent, blood relative or a friend. In such cases you should be able to provide the necessary documents of your Co-applicant.

KYC	Photo (Soft copy- Colour)

Propelld

Month and percentage of interest(%)	Loan Amount	Per Month(incl. fee)
3	73300	25166
5	73300	15393
6	73300	12950
9	73300	8816
12	73300	6780

Eduvanz

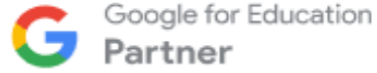

S.No	Month and percentage of interest	Loan Amount(course fee+interest amount)	Interest	EMI Per Month
1	3	75567	3	First EMI : 26081 25189(EMI) + 892 (Processing Fee) = 26081 EMI from second Month: 25189
2	5	77158	5	First EMI : 16342 15432(EMI) + 910 (Processing Fee) = 16342 EMI from second Month: 15432
3	6	77979	6	First EMI : 13916 12996 (EMI) + 920(Processing Fee) = 13916 EMI from second Month: 12996

4	9	80549	9	First EMI : 9900 8950(EMI) + 950 (Processing Fee) = 9900 EMI from second Month: 8950
5	12	83295	12	First EMI : 7924 6941(EMI) + 983 (Processing Fee) = 7924 EMI from second Month: 6941

NOTE:

It's mandatory that you get ready with the **above documents before prebootcamp** so that we could check your eligibility for the EMI process if you are opting for any. Our team will connect with you and assist you on the same. If you are selected please do **make your first EMI or direct payment** and get started with the main boot camp. Kindly cooperate with them. For any refund queries kindly contact your **prebootcamp counsellor**.

Above all, Just as a very first step, just **explore your student login page (guvi.in)**. sign up for your account. Start accessing all the self-learning videos one by one and proceed with the given onboarding document. Just start slowly but try to dedicate at least 2hrs per day. We have enough **months**, moreover, you are not alone anymore, we GUVI behind you in each and every process. Follow this mantra

for a successful career, **"Every Expert is once a Beginner" Never quit without trying!**

Feel free to reach above contact for any support

Happy Learning! All the best 👍 .
